INDEX TO VOLUME 46

Journal of the American Physical Therapy Association

Pages in the JOURNAL of the American Physical Therapy Association are numbered consecutively from January through December. Pages in Volume 46, for the year 1966, are numbered from 1 through 1372.

Pages are:

January 1966.....1–112
February 1966.....113–224
March 1966.....225–336
April 1966.....337–464
May 1966.....465–576
June 1966.....575–706
July 1966.....707–818
August 1966.....819–930
September 1966.....931–1034
October 1966.....1035–1148
November 1966.....1149–1260
December 1966.....1261–1372

SUBJECT INDEX

LEADING ARTICLES

Administration

Basic Considerations of a Job Description. Feitelberg, Samuel B., 46:383–386, April 1966.

Fiscal-Statistical Data Card. Blood, Helen, 46: 964–966, September 1966.

How to Be a Better Administrator: Eight Tips. 46:970–971, September 1966.

Performance Evaluation of the New Staff Member. Lister, Marilyn J., 46:387–390, April 1966.

The Physical Therapist in Supervision. Marcus, Edward E., 46:391–394, April 1966.

Rehabilitation Summary Form. Burger, Joseph L., 46:1179–1182, November 1966.

Trends in the Organization and Administration of Health Services. Zimmerman, James P., 46: 376–382, April 1966.

APTA Affairs

The Challenge of Success. The 1966 Presidential Address. Kolb, Mary Elizabeth, 46:1155–1162, November 1966.

Report of the January 1966 Executive Committee of the Board of Directors of the APTA. 46: 763–766, July 1966.

APTA Candidates for Office—1966. 46:282–284, March 1966.

Medicare and Physical Therapists. Official Statement of the APTA. 46:768–770, July 1966.

Proposed Amendments of the Bylaws—1966. 46: 404, April 1966.

Amputations

Quadrilateral Plaster Pylon. Werner, James L. 46:506–507, May 1966.

Anatomy

Functional Anatomy of the Shoulder—A Review. Singleton, Mary Clyde. 46:1043–1051, October 1966.

Function of the Extensor Pollicis Longus and Intrinsic Muscles of the Thumb: An Electromyographic Study During Interphalangeal Joint Extension. Strong, Corinne L., and Jacquelin Perry. 46:939–945, September 1966.

Arthritis

Treatment of Related Knee-Ankle-Foot Deformities in Rheumatoid Arthritis. Shields, Marlin N., and John R. Ward. 46:600–605, June 1966.

Biomechanics

The Vertical Pathways of the Foot During Level Walking. I. Range of Variability in Normal Men. Murray, M. P., and B. H. Clarkson. 46: 585–589, June 1966.

The Vertical Pathways of the Foot During Level Walking. II. Clinical Examples of Distorted Pathways. Murray, M. P., and B. H. Clarkson. 46:590–599, June 1966.

Birth Defects

The Child with Hydrocephalus or Myelomeningocele. I. Initial and Continuing Physical

Therapy Evaluation. Frederickson, Dorothy. 46:606–610, June 1966.
The Child with Hydrocephalus or Myelomeningocele. II. Comprehensive Physical Therapy Program. Kinsman, Deborah. 46:611–615, June 1966.
Timing of Learning in the Meningomyelocele Patient. Shurtleff, David B. 46:136–148, February 1966.

Cerebral Palsy

New Concepts in Bracing for Cerebral Palsy. Garrett, Alice L., Marilyn Lister, and Jerelyn Bresnan. 46:728–733, July 1966.
Neuromuscular Facilitation in the Child with Central Nervous System Deficit. Knott, Margaret. 46:721–724, July 1966.
Principles of Treatment in Cerebral Palsy. Semans, Sarah. 46:715–720, July 1966.

Chest Disorders

Neurological Sequelae of Tuberculosis Meningitis in Children: A Review of the Literature. Jones, Sandra L. 46:958–963, September 1966.

Communication

Fog in Your Pen? Sanger, Joan O. 46:512–515, May 1966.
How to Answer Questions. Rochelle, Donna. 46:428, April 1966.
The Patient and the Communication Dilemma. Hickok, Robert J. 46:54–58, January 1966.

Demyelinating Disorders

Schilder's Disease. Report of a Case. Vaughn, David T., 46:862–863, August 1966.

Education

Continuing Education through Chapter Activities. Johnson, Geneva R. 46:46–49, January 1966.
Continuing Education Through Staff Activities. Thompson, Beatrice E. 46:34–36, January 1966.
Evaluation of Public Health Content in the Physical Therapy Curriculum. Ware, Carolyn B. 46:847–856, August 1966.
A Philosophy of Continuing Education. White, Thurman, and J. E. Burkett. 46:28–33, January 1966.
Preparing for Research in Physical Therapy. Lawrence, Mary. 46:42–45, January 1966.
Recruitment, Modern Style: Co-operative Venture. Pascasio, Madeline M. 46:998–1001, September 1966.
Some Methods to Implement In-Service Education. Hewitt, Dorothy R., 46:37–41, January 1966.

Gait

Orthopedic Management of the Lower Extremity in the Hemiplegic Patient. Perry, Jacquelin. 46:345–356, April 1966.
The Vertical Pathways of the Foot During Level Walking. I. Range of Variability in Normal Men. Murray, M. P., and B. H. Clarkson. 46:585–589, June 1966.
The Vertical Pathways of the Foot During Level Walking. II. Clinical Examples of Distorted Pathways. Murray, M. P., and B. H. Clarkson. 46:590–599, June 1966.

Growth and Development

The Effect of Gross Motor Development on Visual Perception and Eye–Hand Co-ordination. Haring, Norris G., and Jeanne M. Stables. 46:129–135, February 1966.
The Impact of Disability on the Child. Kessler, Jane W. 46:153–159, February 1966.
Individuality of Motor Development. Ames, Louise Bates. 46:121–128, February 1966.
Individuality of Intellectual Development. Freedheim, Donald K. 46:149–152, February 1966.
Quotient for the Evaluation of Motor Development. Zausmer, Elizabeth, and Gail Tower. 46:725–727, July 1966.
Timing of Learning in the Meningomyelocele Patient. Shurtleff, David B. 46:136–148, February 1966.

Electrotherapy

Determination of Conduction Velocity of Human Motor Axons. Farmer, Wayne C. 46:1292–1294, December 1966.
Effect of Pulsed Short-wave Diathermy upon Blood Flow Through the Calf of the Leg: Plethysmographic Studies. Morrissey, Leo J. 46:946–952, September 1966.
The Fatal Current. 46:968–969, September 1966.

Electromyography

Function of the Extensor Pollicis Longus and Intrinsic Muscles of the Thumb: An Electromyographic Study During Interphalangeal Joint Extension. Strong, Corinne, and Jacquelin Perry. 46:935–945, September 1966.
Strengthening Techniques of the Quadriceps Muscles: An Electromyographic Evaluation. Allington, Ruth Owen, Metta L. Baxter, George H. Koepke, and Robert P. Christopher. 46:1171–1174, November 1966.

Hemiplegia

Motor Testing Procedures in Hemiplegia Based on Sequential Recovery Stages. Brunnstrom, Signe. 46:357–375, April 1966.
Orthopedic Management of the Lower Extremity in the Hemiplegic Patient. Perry, Jacquelin. 46:345–356, April 1966.

Hemophilia

Total Program for the Patient with Hemophilia: Medical Aspects. Andonian, Andon A., Shelby L. Dietrich, and Shirley T. Whiteman. 46:1269–1271, December 1966.

Total Program for the Patient with Hemophilia: Physical Therapy Aspects Related to Orthopedic and Neurologic Residuals of Bleeding. Boone, Donna Clausen. 46:1272–1281, December 1966.
Total Program for the Patient with Hemophilia: Psychosocial Problems. Hurt, Charles. 46: 1282–1284, December 1966.
Total Program for the Patient with Hemophilia: Educational-Vocational Aspects. Taylor, Charlotte. 46:1284–1285, December 1966.

Mental Retardation

Mental Retardation: An Important Public Health Program. Koch, Richard. 46:745–750, July 1966.
Physical Therapy for the Mentally Retarded: Why? How? And by Whom? Ethun, Carol A. 46:1224–1230, November 1966.

Orthotics

Check-out Evaluation and Clinical Experience of the UCLA Functional Long-Leg Brace. Strohm, Bernard R., John Bray, and Sam C. Colachis. 46:829–834, August 1966.
Electrophysiological Bracing in a Radial Nerve Compression Injury. Farmer, Wayne C. 46: 857–861, August 1966.
New Concepts in Bracing for Cerebral Palsy. Garrett, Alice L., Marilyn Lister, and Jerelyn Bresnan. 46:728–733, July 1966.
Orthopedic Management of the Lower Extremity in the Hemiplegic Patient. Perry, Jacquelin. 46:345–356, April 1966.
Treatment of Related Knee-Ankle-Foot Deformities in Rheumatoid Arthritis. Shields, Marlin N., and John R. Ward. 46:600–605, June 1966.

Perception

The Effect of Gross Motor Development on Visual Perception and Eye–Hand Co-ordination. Haring, Norris G., and Jeanne M. Stables. 46: 129–135, February 1966.
Interrelation of Perception, Function, and Treatment. Ayres, A. Jean. 46:741–744, July 1966.
Perceptual Development: Visual and Kinesthetic. A Brief Review. Isom, John B. 46:734–740, July 1966.

Peripheral Nerve Injury

Electrophysiological Bracing in a Radial Nerve Compression Injury. A Case Report. Farmer, Wayne C. 46:857–861, August 1966.

Physical Therapy

A Hard Look. The 1966 Mary McMillan Lecture. Decker, Ruby. 46:1163–1169, November 1966.
Community Aspects of the Role of the Physical Therapist. Goldin, George J. 46:259–264, March 1966.
Liability Problems: The New Breed. Hershey, Nathan. 46:1175–1177, November 1966.
Physical Therapy Involvement in Provision of Services Under Medicare. Cox, William E. 46:1286–1291, December 1966.
Physical Therapy, Occupational Therapy, and Speech Therapy. Egland, George O. 46:1116–1118, October 1966.
Remember When? A Picture Story. Cogland, Shirley M. 46:875–881, August 1966.

Physical Therapy Supportive Personnel

The Nonprofessional in Physical Therapy: A Picture Story. Robins, Viola. 46:296–304, March 1966.
Physical Therapy Personnel for Out-of-Hospital Services. Cook, Ruth. 46:239–249, March 1966.
Responsibilities in Patient Care: The Need for Nonprofessional Assistants in Physical Therapy. Perry, Jacquelin. 46:250–255, March 1966.
Training and Use of Nonprofessional Personnel in Hospital Facilities. Robins, Viola. 46:256–258, March 1966.

Physiology

Clinical Considerations of the High-Risk Patient. Smith, Laura K. 46:497–505, May 1966.
Clinical Considerations of Local Factors in Muscle Performance. Pinkston, Dorothy. 46: 485–489, May 1966.
The High-Risk Patient on an Exercise Program. Briggs, Dorothy I. 46:490–496, May 1966.
Local Factors in Muscle Performance. Lehmkuhl, Don. 46:473–484, May 1966.
Physiological Effects of Ultrasonic Energy as it Is Used Clinically. Griffin, James E. 46:18–27, January 1966.

Psychology

The Abnormal Child: His Impact on the Family. Kohut, Susanne A. 46:160–167, February 1966.
Individuality of Intellectual Development. Freedheim, Donald K. 46:149–152, February 1966.
Impact of Disability on the Child. Kessler, Jane W. 46:153–159, February 1966.

Public Health

Evaluation of Public Health Content in the Physical Therapy Curriculum. Ware, Carolyn B. 46:847–856, August 1966.

Research

The Design of Clinical Research. Slater, Sherwood B. 46:265–273, March 1966.
Preparing for Research in Physical Therapy. Lawrence, Mary. 46:42–45, January 1966.

Respiration

Vital Capacity and Glossopharyngeal Breathing in Traumatic Quadriplegia. Metcalf, Virginia A. 46:835–838, August 1966.

Sociology

Mothers, Children, and Hospitals in the Inner City. Horwood, Sargent P. 46:168–173, February 1966.

Spinal Cord Injuries

Vital Capacity and Glossopharyngeal Breathing in Traumatic Quadriplegia. Metcalf, Virginia A. 46:835–838, August 1966.

Tests and Measures

Determination of Conduction Velocity of Human Motor Axons. Farmer, Wayne C. 46:1292–1294, December 1966.

Elbow Extension Force Measured in Three Test Positions. Little, Ann D., and Don Lehmkuhl. 46:7–17, January 1966.

Evaluation of a Photographic Method for Measuring Leg Abduction and Adduction. Sprague, R. B., C. M. Tipton, A. E. Flatt, and G. M. Asprey. 46:1068–1078, October 1966.

Motor Testing Procedures in Hemiplegia Based on Sequential Recovery Stages. Brunnstrom, Signe. 46:357–375, April 1966.

Quotient for the Evaluation of Motor Development. Zausmer, Elizabeth, and Gail Tower. 46:725–727, July 1966.

Therapeutic Exercise

Audioanalgesia as an Adjunct to Mobilization of the Chronic Frozen Shoulder. Echternach, John L. 46:839–846, August 1966.

Clinical Considerations of Local Factors in Muscle Performance. Pinkston, Dorothy. 46:485–489, May 1966.

Clinical Considerations of the High Risk Patient. Smith, Laura K. 46:497–505, May 1966.

The High-Risk Patient on an Exercise Program. Briggs, Dorothy I. 46:490–496, May 1966.

Maximum Isometric Force of the Hip Rotator Muscles. May, Warren W. 46:233–238, March 1966.

Neuromuscular Facilitation in the Child with Central Nervous System Disorders. Knott, Margaret. 46:721–724, July 1966.

Posture of the Head: Its Relevance to the Conservative Treatment of Cervicobrachial Radiculitis. Lezberg, Sandra F. 46:953–957, September 1966.

Principles of Treatment in Cerebral Palsy. Semans, Sarah. 46:715–720, July 1966.

Serial Changes in Maximum Isometric Contraction of the Forearm Flexor Muscles. White, Stephen J., and Edna M. Forward. 46:1061–1067, October 1966.

Strengthening Techniques of the Quadriceps Muscles: An Electromyographic Evaluation. Allington, Ruth Owen, Metta L. Baxter, George H. Koepke, and Robert P. Christopher. 46:1171–1174, November 1966.

Therapeutic Exercise for Shoulder Disabilities. McMillan, Jo Ann. 46:1052–1060, October 1966.

Total Program for the Patient with Hemophilia: Physical Therapy Aspects Related to Orthopedic and Neurologic Residuals of Bleeding. Boone, Donna Clausen. 46:1272–1281, December 1966.

Ultrasound

Physiological Effects of Ultrasonic Energy as it Is used Clinically. Griffin, James E. 46:18–27, January 1966.

SUGGESTIONS FROM THE FIELD

Adjustable Arm Sling. Pogue, Thomas M., and Ralph Evers. 46:510, May 1966.

An Exercise Unit for the Home. Edgar, Bruce C. 46:1297–1299, December 1966.

Cervical Collar for Home Use. Schultz, Wilhelmena, and Ruth M. Anderson. 46:395, April 1966.

Crawl Board. Schultz, Wilhelmena. 46:508, May 1966.

Devices to Assist Early Ambulation for Lower-Extremity Fractures with Upper-Extremity Disability. Adelsberg, Stanley L. 46:864–866, August 1966.

Forearm Weight-Bearing Adjustable Crutch. Walters, George C. 46:52–53, January 1966.

Half-leg Air Band. Kerr, Donald J. 46:1178, November 1966.

Portable Shoulder Exerciser. Garrett, Tom R., and Earl C. Elkins. 46:50, January 1966.

Reversed Use of the Walkerette. Johnson, Roberta B. 46:53, January 1966.

A Scapular Vest. Lewis, M. Susan. 46:1295–1296, December 1966.

Whirlpool Agitator Guard. Pruett, Herbert. 46:274, March 1966.
